Quality and project support

Furniture-testing and inspection examples supplied by KOHWA. Request current certificates and reports, including their scope for your selected model.

OEM / ODM

Products, logos and packaging can be customized. We support customer drawings and project-specific designs.

Samples and delivery

Typical preparation: 3-5 days for a small standard sample; 25-35 days for a full-container order. Confirm the schedule, specifications, packing and freight in the quotation.

Commercial and after-sales terms

FOB and EXW are available. USD, EUR and CNY payments are supported. Standard T/T: 30% advance and 70% against a bill-of-lading copy. We aim to respond to quality issues within 24 hours; 24-month parts support follows agreed warranty terms. Written quotations and order documents govern all commitments.

Visit and enquire

Arrange a factory visit in Shenzhen or send your model, quantity, destination and project requirements to kehua8410@gmail.com. Phone: +86 190 6511 9783.
